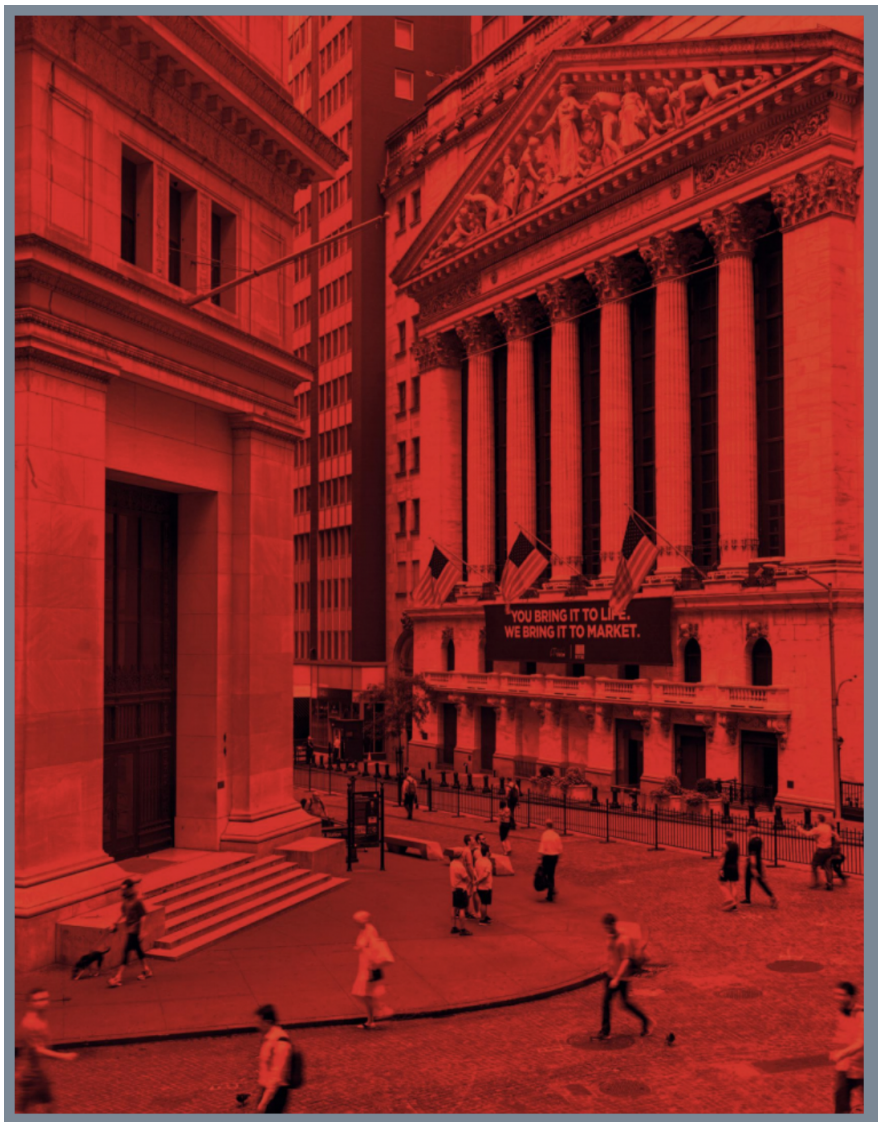
Image Analysis

Observe:
1. What do you see? What people or objects are shown? What, if any words, do you see?



Reflect:
2. What issue/topic does this image attempt to address? What methods are used to attract the audience? (List specific symbols, exaggerations, words, etc.)

Question:
3. Based on what you have observed above, what might you infer or conclude from this image.

Challenge Question:
4. Why is this image colored red?
