

What is the role of student voice in curriculum?

Supporting Question #3

A dark blue diagonal graphic that starts from the bottom left corner and extends towards the top right corner, covering the lower half of the slide.

What is “Student Voice”?

Prompt:

Tell me about a time when you were able to make a decision about your own learning. This could be about a topic you got to study, a class you were able to choose, or another experience in which your schoolwork was determined or affected by your opinion.
