
Do Now: Using your textbooks (or devices) look up the word geography and write down all definitions.

Motivation: Describe the geography of your commute to school today. What did you see? How did you get to school? What did you hear? What resources did you observe?

Think/Pair/Share with your partner/group. Write down the similarities and differences of your commutes.

The five themes of geography are *location, place, human-environment interaction, movement, and region*. Write the definition of each term in your own words.

1. Location _____

2. Place _____

3. Human-environment interaction _____

4. Movement _____

5. Region _____

Directions: Write down the definition of each term in your own words, and share your associations. (What phrases, images, events, feelings, media, etc. come to mind?) This is a private brainstorm; you do not have to share your responses.
