## Image Analysis Guide

**Directions:** In small groups, evaluate your image by answering the following questions. Every group member must answer all the questions and every group member must participate for credit. You will be asked to present your image to the class and you will be graded on your presentation.

1. Describe what you **see** in the picture (i.e. what is the picture literally *of* - the basic elements; no interpretation needed).

---

---

---

---

---

---

---

2. Who or what is the main **subject** of the picture?

---

---

---

---

---

---

---

---

3. Are there any **symbols** in the photograph? If so, what do they mean/represent? Are they universal or are they context specific?

---

---

---

---

---

---

---

---

---

---

4. What is the possible **story** behind this image? What about the image suggests this story?

---

---

---

---

---

---

---

---

---

---

---

5. How do you **feel** about the image? What **emotions** does this image evoke? Explain.

---

---

---

---

---

---

---

6. What is the **message** (i.e. larger implication/lesson) of the picture? What is the takeaway? And how do you know?
