Directions: As you watch the video "Freedom of the Press History & Examples | What is Freedom of the Press?" (study.com), write down your responses to the following questions.

How is news shared or conveyed with people today?	<ul style="list-style-type: none">• Social media apps, TV stations, magazines, newspapers (but barely), articles
How do we guarantee the accuracy of information shared in a digital age?	<ul style="list-style-type: none">• Fact checking: Is this a good source? Are other sources agreeing?• Critical thinking: Who would benefit from you believing this? Are they trustworthy?
Are there challenges that may exist for the press when sharing news or information in a digital age?	<ul style="list-style-type: none">• Challenges: digital policies, misinformation, unreliable sources, AI photos/videos
Is the press today more or less reliable than the press from the past? Why or why not?	<ul style="list-style-type: none">• Less reliable. With easy ways to take down or censor videos, free speech is limited. With AI, images and videos can no longer be trusted.• A larger + denser population makes many ideas merge together and it's difficult to determine what's real.
